

Edmund Charles Morissette

December 13, 1952 - April 26, 2021

Edmund Charles Morissette, son of Robert Morissette and Isabella (Condon) Morissette, brother to Mary Ann (Morissette) Sorenson, husband to Keiko (Kunishige) Morissette, and father to Robert (Sara) Lake, Tyson (Lisa) Lake, and Mary (Andrew) Knapp, left this earth better than when he entered it.

He proudly served his country as a member of the United States Navy, raised three children not of his own blood with love, and dutifully stayed by his wife's side of twenty-one years until her final days. Family and friends always came first to Ed. A close second was Elvis, the Bears, the White Sox, and the city of Chicago. Ed leaves behind his loving sister, Mary Ann, his three children, his partner Erin McGowan, five grandchildren, many cousins, nieces, nephews, and friends. Ed also leaves behind an indelible mark on the hearts of all of those he encountered.

A private service will be held at Queen of Heaven cemetery at 11:00 a.m., on May 11th, 2021.

In lieu of sending flowers or memorial gifts to the family, they would like to invite you to donate to a local Veterans' service organization of your choice in memory of Ed.

Funeral arrangements entrusted to McCauley-Sullivan Funeral Home & Crematorium.

“ As cousins Ed and I were very close. We would spend extended time at each other's homes in the summer time. We would have a ball hanging out together. I remember us taking the train into Chicago one summer and just hanging out and getting into all kinds of mischief. We couldn't have more than 10 years old. We even went into one of those recording booths and we both sang Elvis' Teddy Bear. You have always been in my thoughts and prayers and I'll miss you very much. RIP Ed. It must be magnificent being in God's presence with a healed whole body. Bye for now. Your cousin, Al.

“ I met Ed way back in 1971 on the west side of Chicago. I remember him as a kind and gentle person with a ready smile - I thought of him as my friend. A couple of years ago I was on the BNSF RR heading home when I saw a familiar face - that's Ed Morissette, I thought. I walked over to him - Ed? Yes it was him. After I reminded him who I was - it was probably at least 25 years since I had seen him last - we had a nice conversation. He was heading to his sister and brother-in-law's house for the weekend and I recall he said what good people they were. I was happy to see him. I'm very sorry to all of Ed's family for your loss and I am also grateful that Ed was part of my life, even for such a short part of it.

“ To The Family Of Ed Morissette,

Ed and I went through it all during and after Austin High School and Austin Wesleyan Church Youth Group; also much fun/trouble at Church Camp! We always enjoyed fun in school and I spent my Jr. year getting Ed out of class with my forged pass to go to the Orchestra room, where he played violin in the Orchestra and I learned how to play the bass fiddle; I was a trumpet player in Concert Band. We did a lot of stupid stuff together but lived another day. We never knew it, but God was watching over us all those times! I remember once when Ed had my back when some jerk kid fought me at Austin High, no problem, Ed was there though! The last time Ed and I were together was when he helped me move my sister and brother-in-law to Portage Wisconsin, then the next day ol' Ed left for Great Lakes Naval Base and into the United States Navy! After all those years, while I was working at WMAQ TV News, I became a Born Again Christian and gave my life to Jesus Christ. In the last couple years on FB, I shared with Ed what God had done in my life. He knew the way to salvation also, after sitting in youth services, church and church camp. I miss his friendship, too bad we were miles apart now that I live in Indiana! God bless you, family of "Eddie Morissettie!" ;>)
